FamilyLife is a ministry of **agapé**

a day together

a seminar for couples to invest in their relationship

Spending time as a couple is one of the most significant things you can do for your relationship.

We know it's easy to let time with each other take second place to the endless list of things that 'must get done'. This is why we invite you to attend a 'a day together' seminar... a special time away to listen, laugh and learn more about each other... to talk and reconnect whatever stage of life we are in. Think of it as a relationship 'MOT'.

You will enjoy quality communicators who will present practical relationship tools based on Biblical principles, brought alive with personal stories and illustrations. There are personal application exercises and of course plenty of time to talk privately as a couple. There are NO group exercises or role plays!

Whether you're married or not, whether your marriage is solid or you're struggling you will leave inspired and equipped to strengthen and grow your relationship with a renewed sense of purpose and hope.

Sessions

- 1 Communicating together: developing a deeper understanding of each other.
- 2 Growing together: identifying what tends to pull us apart and what helps us to grow closer.
- 3 Resolving conflict together: managing our disagreements in a healthy way.
- 4 Loving together: understanding each other's needs and love languages.
- 5 Moving on together: discovering fresh ways to continue growing as a couple.
